Dear Friend,

An iconic symbol can be important to a community. The Burbank “B” has been on the hills above the city since the 1920’s. As we approach the City’s Centennial, what better way to display our civic pride than restoring the “B” to its original glory! The Leadership Burbank Class of 2010 believes this is not only an achievable goal, but a necessary one.

Leadership Burbank is a program that is designed to educate emerging leaders who work or live in the Burbank community. The program educates its students on how the city operates and focuses on the leadership development needed in order to grow and sustain our community. This year, I am honored to be a part of this unique and diverse group of leaders.

Each year, the class looks to enhance and leave its mark on Burbank. The Leadership Class of 2010 has decided restoring Burbank’s “B” is a way our class can work together to transform this long-time Burbank symbol into something the community can embrace as a source of pride.

Secondly, we have combined this effort with an art contest for participants to express their feelings about Burbank as we begin to reflect on our **Past, Present and Future** as we approach the upcoming centennial celebration in 2011. Our children’s ability to receive a well-rounded education is being challenged. Art education not only enriches our youth creatively, but also contributes to their educational advancement. We will be partnering with the **Burbank Arts Education Foundation** to relay this message of expression and development.

As the City approaches 100 years, we ask that you please help our class make a contribution to continuing Burbank’s unique spirit and character and at the same time, support arts education for the City’s youth. Your donation whether monetary or in kind (see attached wish list) will help us with this effort.

Leadership Burbank is a 501(c)3 certified organization and all donations are tax deductible. Please make checks payable to Leadership Burbank, and in the memo line write “Class of 2010.”

All checks should be mailed to:

Thank you in advance for your support,

Leadership Burbank Class of 2010
